Julian Brigden Chart

November 29th, 2018

The bubble stocks are overdue a bounce

Amazon is a "classic bubble" and once the bubble bursts you get a sharp sell-off
But this is followed by a bull trap bounce back towards the neckline, which fails

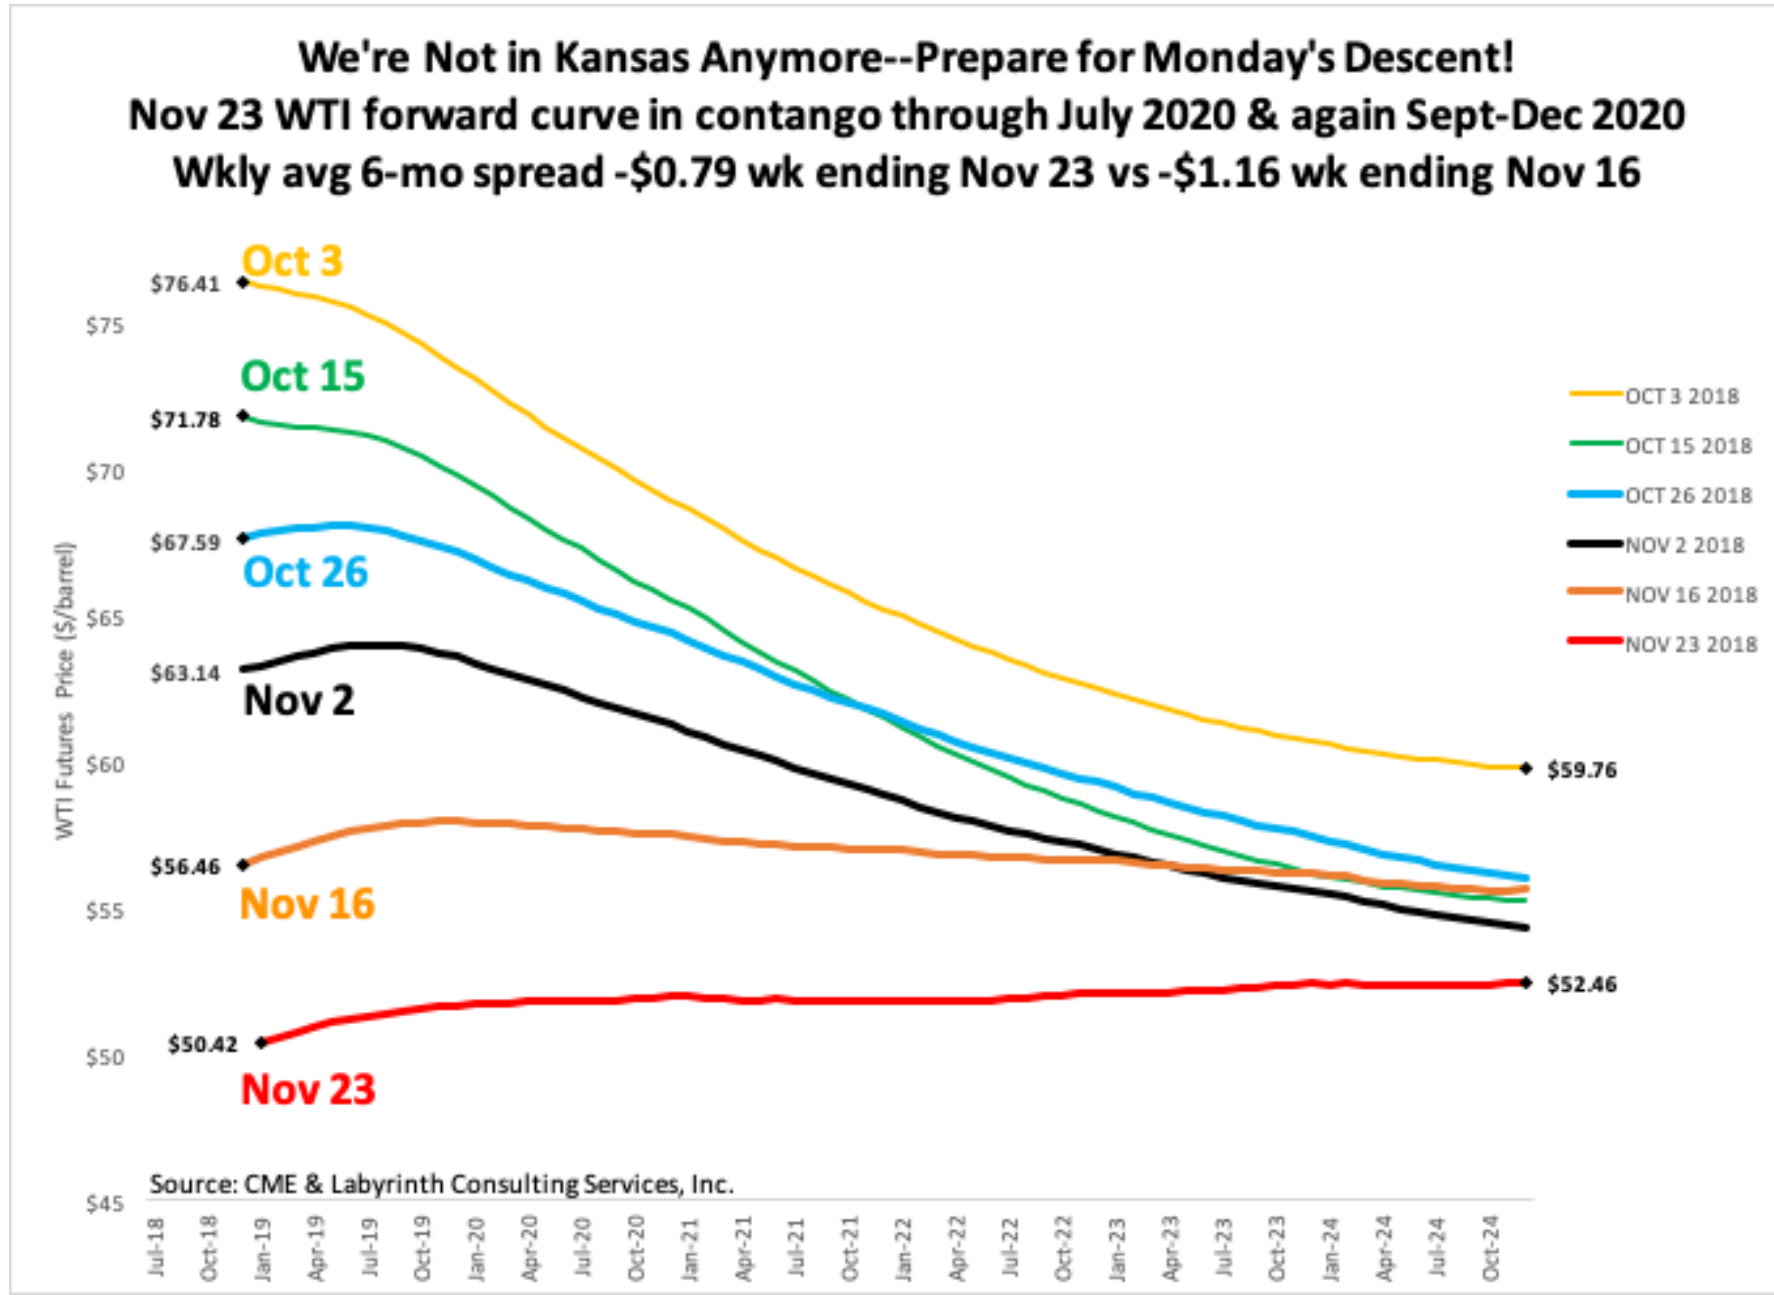

S&P500 ES daily chart – With a “classic bounce”

November 29th, 2018

Art Berman Oil Chart

Eurodollar – Spread between Dec2018-Dec2019
