Silver Trust (SLV)

THE BIGGEST SHORT SQUEEZE IN THE WORLD \$SLV Silver 25\$ to 1000\$.

DD

Silver Bullion Market is one of the most manipulated on earth. Any short squeeze in silver paper shorts would be EPIC. We know billion banks are manipulating gold and silver to cover real inflation.

Both the industrial case and monetary case, debt printing has never been more favorable for the No. 1 inflation hedge Silver.

Inflation adjusted Silver should be at 1000\$ instead of 25\$. Link to post removed by mods.

Why not squeeze \$SLV to real physical price.

Think about the Gainz. If you don't care about the gains, think about the banks like JP MORGAN you'd be destroying along the way.

Edit 1: ALL IN ON \$AG. LETS GET THE MINERS.
