 7. To the right of the heading "Click to rate:", click the right-most star to select a 5-star review
 8. Immediately under the heading "Customer Reviews", click the button that says "Write a Review".
 9. If the star rating on the top right doesn't already show 5 gold stars, click the rightmost star so it does
 10. Type in a title (headline) and then in the box that says "Review:", type a few sentences describing what you like most about Macrovoices
 11. Click Submit, and you're done!

Beyond Blockchain

The Death of the Dollar and the Rise of Digital Currency

[Check out Erik Townsend's new book!](#)

The cryptocurrency trend of the past few years has continued to grow despite widespread predictions that it would just be a flash in the pan. Blockchain is suddenly everyone's favorite buzzword. But what if there's more to this story than meets the eye? What if Digital Currency is about to change the world in ways beyond our imagination? And what if geopolitical forces our politicians don't even understand have already inspired China and Russia to use Digital Currency to attack the U.S. Dollar's dominance over the global financial system?

Erik covers these subjects and more in his recently published book. Please visit www.macrovoices.com/bb for more information and to order the paperback, Kindle, or audiobook.
